Dear Colleagues,

I am delighted to welcome you to the launch of our Master of Science in Business Administration (English, with thesis). As the Department Head, I am pleased to offer a curriculum that meets international academic standards and prepares future business leaders with essential critical thinking, analytical, and research skills necessary for success in a globalized world.

Our program has been carefully crafted to combine academic principles with real-world applications. Core courses in management and strategy, marketing, accounting and finance, production management, and research methods will provide students with a comprehensive understanding of today's dynamic business landscape. The thesis component allows each student to explore a topic of personal interest, contribute original insights to the field, and open pathways to PhD programs or specialized career opportunities.

We are excited to welcome our first students, who are eager to learn, motivated, and ready to make a change. We sincerely appreciate your interest in our program!...

We look forward to receiving your applications for the Master of Science in Business Administration (English) program.

Thank you.
