

BURDUR Project / Projesi

Scientific Meeting/Program Lake Burdur, Türkiye

Burdur, 20-25 October 2025

October 20, 2025

At 11:30

Morning

Arrival of the French team at Antalya Airport

12:00-14:00

Trip (car or bus) between Antalya and Burdur/sandwiches for the meal ☺ - Arrival in the Hotel

Afternoon : The Burdur Project/Burdur Projesi

15:00-15:20

Elisabeth Gibert-Brunet / Alina Tudryn

Opening of the meeting and welcome speech

15:20-15:40

MM. (responsible) /Iskender/Nevzat/Erdal

Welcome speech from the Official of Burdur University(?)

15:40-15:50

Elisabeth Gibert-Brunet

Presentation of the meeting (program + organization: meals, coffee break, field trip, etc.)

15:50-16:10

Alina Tudryn

*Presentation of the overall Burdur project and presentation of supporting organizations
Presentation of the 2024 field mission*

16:10-16:40

Coffee break

16:40-17:00

Erdal Kösun

Geology and tectonics of the Burdur area (+ seismicity) (?)

17:00-17:20

Piotr Tucholka

Volcanism of the Burdur region and surroundings (?)

17:20

Whole team

Discussion and questions

October 21, 2025

9:30-10:00

Nevzat/Erdal/Iskender

Modern meteorological data and evolution of precipitation

10:00-10:30

Nevzat Özgür

Chemistry of geothermal water (?) Evolution of the hydrogeology of the basin (?)

10:30-11:00

Coffee break

11:00-11:30

Elisabeth Gibert-Brunet

- *Methodology of isotope geochemistry of surface and groundwater*
- *Application on Lake Burdur from the 2024 field mission*

11:30-12:00

Alina Tudryn

- *Methodology of mineralogy: aspects and information*
- *The Burdur cores from 2018 and 2024: mineralogy and magnetism, and paleoenvironmental evolution*

12:00-14:00

Gala lunch

Afternoon

14:00-17:00

Field visit with examples of water sampling (surface or groundwater depending on possibilities) - perhaps near karstic springs (?)

October 22, 2025

9:30-10:00

Iskender Gülle

Biology/biogeochemistry of Lake Burdur and its evolution (?)

10:00-10:30

Elisabeth Gibert-Brunet

- *Methodology of OM geochemistry*
- *Results of the 2024 Burdur sequence and paleoenvironmental evolution*

10:30-11:00

Coffee break

11:00-11:30

Günes Kabakli

Archeogeology of the Burdur basin + presentation of the PhD subject in relation with Antalya University, ERASMUS and IPSL programs

11:30-12:00...

The future of the project: *discussion with the stakeholders and officials involved in Lake Burdur preservation (?)*

12:00-14:00

Lunch

14:00-17:00

Continuation of the discussions on the future of the project

Alina/Elisabeth/Piotr
Iskender/Nevzat/Erdal

Closure of the meeting

October 23, 2025

Iskender Gölle (organization)

The whole day: visit in Lake Salda area (?)

October 24, 2025

Continuation of the discussions on the future of the project (team) – Free time

Departure of the French team from Burdur University in late afternoon – night in Antalya

October 25, 2025

Departure from Antalya to Paris
