

**T.C. AKDENİZ UNIVERSITY**  
**FACULTY OF ENGINEERING**  
**DEPARTMENT OF GEOLOGICAL ENGINEERING**  
**2025-2026 ACADEMIC YEAR | FALL SEMESTER**  
**MIDTERM EXAM PROGRAM**

| 1st Grade   1st Semester |                                                  |                                            |          |                           |
|--------------------------|--------------------------------------------------|--------------------------------------------|----------|---------------------------|
| Course Code              | Course Name                                      | Date                                       | Hour     | Classroom                 |
| ATA101                   | Ataturk's Principles and History of Revolution I | <a href="#">CLICK FOR EXAM INFORMATION</a> |          |                           |
| TDB101                   | Turkish Language I                               |                                            |          |                           |
| YBD101                   | English I                                        |                                            |          |                           |
| FİZ101                   | Physics I                                        | 01/11/2025                                 | 10.30 AM | C203   C209   C213        |
| KİM101                   | General Chemistry                                | 04/11/2025                                 | 09.30 AM | AMFİ 2                    |
| MAT161                   | Mathematics I                                    | 02/11/2025                                 | 01.30 PM | C203   C204   C209   C213 |
