

TOMORROW'S ACHIEVERS MEETING THE DEMANDS OF MODERN WORKING LIFE

Careeria is a multidisciplinary vocational education institution for young and adult people, and for companies and organisations.

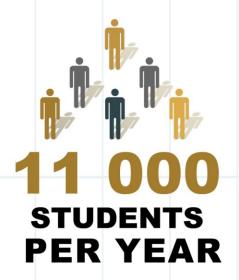

You can study here for a profession, additional or continuing vocational education, for a change of profession or to achieve career progress. We provide vocational education and interactive working life solutions to best meet the skills development requirements of working life.

Careeria has provided vocational training for working life purposes for over 60 years. We have operated under the name Careeria since 1.1.2019.
