

PARTICIPATION GUIDELINES FOR ONLINE PRESENTERS

Please note the following guidelines for online presentations:

- Participants who will present online will join the conference via Google Meet.
- The Google Meet link will be shared with you before the conference.
- Please join the meeting 10 minutes before your scheduled presentation time.
- Keep your microphone muted until the moderator invites you to speak.
- When your session begins, you will be asked to share your screen and start your presentation.
- Presentations should not exceed the allocated time in the program.

Please ensure that your internet connection, microphone, and presentation file are ready before the session begins.

If you have any technical questions, feel free to contact the organizing committee via:
